Report on Socio-Economic Survey Conducted by NSS Units 1 & 2

Date: 31st May 2018

Organized by: NSS Units 1 & 2, Sri Arvind Mahila College, Patna

Programme officer: Dr Geeta Kumari, Dr Rita Singh

Total No of Students -31

On 31st May 2018, the NSS Units 1 and 2 of Sri Arvind Mahila College, Patna, visited the slum areas near the college campus to conduct a socio-economic survey. The purpose of this survey was to understand the demographic, economic, and social conditions of the slum dwellers, thereby gaining insights into their living conditions and challenges.

Objectives of the Survey

- **Collect Demographic Data:** Age, gender, family size, and literacy rates among the slum residents.
- **Economic Profile:** Employment status, sources of income, and monthly income levels of families.
- **Social Conditions:** Access to basic amenities such as sanitation, clean drinking water, healthcare, and education.

Survey Highlights

- The survey revealed significant details about the socio-economic status of the community. Many families lacked stable income sources, and several households faced challenges in accessing basic facilities like healthcare and education.
- The survey also identified areas in need of improvement, particularly in sanitation, access to clean drinking water, and opportunities for skill development.

Outcome

The information gathered from the survey will aid the college and NSS units in planning future initiatives to support the community. This effort also sensitized the students to the challenges faced by underprivileged communities, encouraging them to become active contributors to social welfare.
