Report on World No Tobacco Day Programme

Date: 30th May 2022

Organized by: Department of Zoology, Sri Arvind Mahila College, Patna

Venue: College Campus

Collaborating Organization: Cera Cancer and Multi-Specialty Hospital

Objectives

- **Raise Awareness:** Educate students about the health hazards associated with tobacco consumption.
- **Promote Preventive Measures:** Encourage students to adopt a tobacco-free lifestyle and advocate for a healthier community.
- **Empower Participants:** Provide knowledge on the social, economic, and health impacts of tobacco use.

Highlights

- **Awareness Campaign:** The Department of Zoology, in collaboration with Cera Cancer and Multi-Specialty Hospital, conducted an impactful campaign on the harmful effects of tobacco.
- **Student Engagement:** Girl students actively participated, engaging in discussions and learning about the severe consequences of tobacco use.
- **Expert Insights:** Representatives from Cera Cancer and Multi-Specialty Hospital explained the connection between tobacco and diseases like cancer, heart problems, and respiratory issues.
- **Call to Action:** The campaign emphasized the importance of spreading awareness within families and communities to create a ripple effect for a tobacco-free society.

Conclusion

The World No Tobacco Day programme was a significant initiative by the Department of Zoology to raise awareness among students about the devastating impact of tobacco use. The collaboration with Cera Cancer and Multi-Specialty Hospital added depth and expertise to the campaign, empowering participants with knowledge and motivation to advocate for healthier lifestyles.
