REPORT OF EDUCATIONAL TOUR TO BAPU TOWER

Date: 11/04/2026

Organized By: Department of Sociology

Venue: Bapu Tower, Gardanibagh

No. of Students Participated: **25**

The Department of Sociology at Sri Arvind Mahila College organized an educational tour to the newly inaugurated **Bapu Tower** in Gardanibagh, Patna. The visit aimed to provide students with a socio-historical perspective on Mahatma Gandhi's life, his philosophy, and his monumental role in India's freedom struggle, particularly his deep-rooted connection with Bihar.

Key Faculty Participants:

The tour was successfully conducted under the guidance and supervision of the following faculty members from the Department of Sociology:

- **Prof. Pushpa Rai (Head of the Department - HOD)**
- **Dr. Priya Ranjan (Assistant Professor)**
- **Dr. Vasundhra Simpall (Faculty Member)**
- **Ms. Simpall Kumari (Faculty Member)**

Key Highlights and Academic Objectives

The educational tour was structured to bridge the gap between classroom sociological theories—such as social movements, leadership dynamics, and community mobilization—and historical realities.

1. Exploration of the Exhibition Galleries

The students explored the state-of-the-art multi-story structure, which houses high-tech exhibits, interactive digital displays, and rare artefacts related to Mahatma Gandhi. The tour guides detailed Gandhi's journey from South Africa to Champaran, highlighting how Bihar became the laboratory for his *Satyagraha* (non-violent resistance).

2. Sociological Relevancy and Insights

Under the guidance of Prof. Pushpa Rai and the accompanying faculty, students analyzed various sociological dimensions during the visit:

- **Social Change and Movements:** Understanding how the Champaran Satyagraha mobilized the rural masses against British exploitation and changed the social fabric of rural Bihar.
- **Gandhian Philosophy:** Discussions on *Ahinsa* (non-violence), *Sarvodaya* (welfare of all), and self-reliance (*Swadeshi*), and their contemporary relevance in modern Indian society.
- **Cultural Heritage:** Observing how architecture and digital museums preserve collective memory and national identity.

3. Interactive Sessions

The students actively engaged with the multimedia installations, including the light and sound presentations. A brief discussion circle was led by Dr. Priya Ranjan and Dr. Vasundhra Simpal inside the complex, allowing students to share their reflections on how Gandhian ideals can address current social inequalities.

Conclusion

The educational tour to Bapu Tower was highly enriching and successful. It offered the 25 participating students a profound experiential learning opportunity. By stepping outside the classroom, the students gained a deeper appreciation of the socio-political history of Bihar and the enduring legacy of Bapu. The Department of Sociology extends its gratitude to the college administration for supporting this academic initiative.
