

Sri Arvind Mahila College, Patna
Accredited by NAAC with B⁺ Grade
(A Constituent Unit of Patliputra University, Patna)

B.A. (Four Year CBCS Programme) in Political Science

Programme Outcomes

1. Critical Understanding of Political Theory:
 - Develop critical thinking on key political theories, concepts, and debates in political philosophy, from classical to modern times.
2. Constitutional and Democratic Framework:
 - Gain in-depth knowledge of India's constitutional system, governance structure, and the functioning of democratic institutions, with a focus on public policy and administration.
3. Comparative Political Analysis:
 - Understand different political systems and institutions globally, exploring how they compare with India's political processes and governance structures.
4. Public Administration and Policy:
 - Explore key perspectives on public administration and the formulation, implementation, and evaluation of public policies in India.
5. International Relations and Global Politics:
 - Analyze international relations theories and world history, with a focus on global politics, diplomatic relations, and international organizations.
6. Research and Methodology:
 - Acquire essential research skills and techniques, allowing for independent inquiry into political science topics.
7. Indian Political Thought:
 - Study the evolution of Indian political thought, from ancient times to modern debates, with an emphasis on influential political thinkers.
8. Political Sociology:
 - Explore the relationship between politics and society, understanding how social structures, processes, and power relations shape political outcomes.

This curriculum is designed to provide a comprehensive understanding of political science, fostering analytical, research, and theoretical skills essential for careers in academia, governance, policy analysis, or international affairs.
